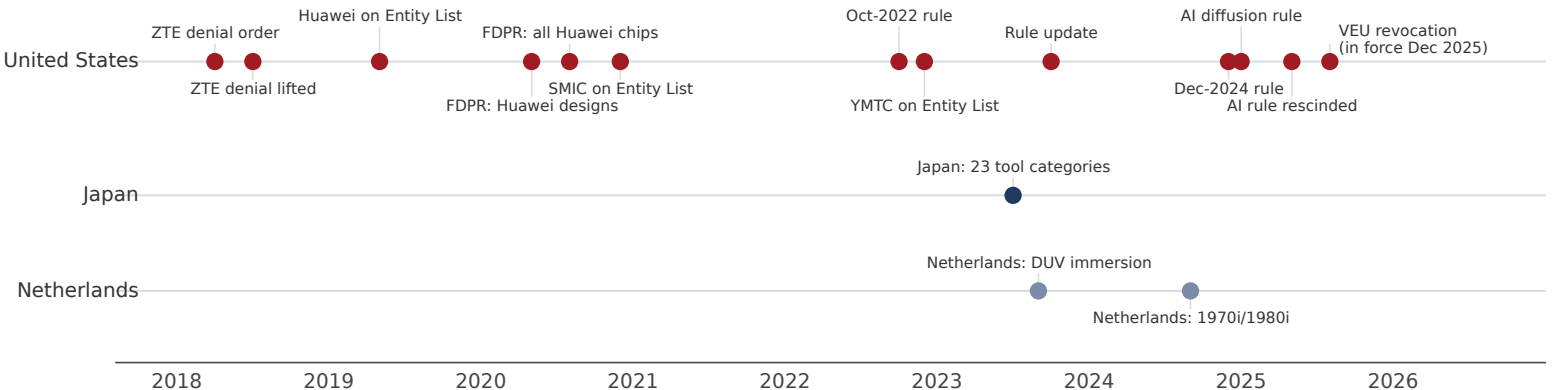
The rules, 2018–2025

Red: United States; navy: Japan; blue-grey: Netherlands. Each point is the date the measure took effect, as used for treatment timing in the paper, except the VEU revocation (announced August 2025, in force 31 December 2025); publication references are in Appendix A.



Sources: Federal Register; METI; Staatscourant; Entity List. The paper treats October 2022 as the first wave and December 2024 as the second; Japanese and Dutch controls took effect in July and September 2023.
